*\*promoter reserves the right to combine or expand race groupings as conditions, attendance and volunteer support warrant.*

All USCF rules apply. Racers must wear helmets while racing or warming up/down. Junior gear restrictions will be enforced.

Racers with MBRA numbers are urged to wear them. Place numbers on **right** side.

Directions: Race staging area located approx. 20 miles east of Missoula on I-90. Take I-90 to the Clinton exit, head south and turn right (west) onto old frontage road before crossing the railroad tracks.

Race proceeds go to the Montana Junior Cycling Foundation
