Climbing & descending – when to shift, positioning in the pack

Cornering and Mass starts

6:00pm “Meet and greet” - Great Divide Cyclery downtown Helena for adult beverages & appetizers

Sunday, May 4th - 8:00am - ? Group integration skills ride

Come and enjoy a weekend with other women on bikes, and learn some new skills! Even if your goal is to ride better and you have no plans to race, this clinic is a great place to start! If you've always wanted to try a race, this is a great opportunity to meet other beginners, prepare for your first event in a non-intimidating environment, and meet some of the mentors who will ride the races with you.
