HAMMER NUTRITION MONTANA ROAD RACE SUB-SERIES

A sub-set of the MBRA road racing calendar. The idea is to encourage great competition as a result of large fields at the centrally located races (i.e. the ones that are more easily attended). The goal is for these races to feature all the MT teams with all or most of their riders competing. These races are part of the overall MBRA series, but they are also part of a separate sub-series. The races are, of course, open to all riders, whether on a non-MT team or not affiliated with a team.

COMPONENT RACES:

Rocky Mountain Roubaix - Sun. April 13th (Frenchtown)
Belt Omnium - Sat. May 10th (Belt)
Cow Country Classic - Sun. June 1st (Wolf Creek)
Valley West Criterium - Sun. Aug. 10th (Bozeman)

PURSE: \$1000 (for the series)

Men's Cat 1/2/3 - \$250
Men's Cat 4/5 - \$200
Master's A - \$100
Master's B - \$100
Women's 1/2/3 - \$200
Women's 4 - \$150

SCORING:

The MBRA BAR/BAT rules will apply; however, the scoring will be adjusted to account for combined fields (e.g. Men's 1/2s will be combined with Men's 3s, so points will be determined based on the combined field size, and the top 2 riders from each team in that field will count in the sub-series).

Fuel Right, Feel Great!
